

› Gippsland Table Setting

› Features

Standard Length: 1800mm length

Plank: Kwila Timber

Frame and Legs: Available in flange/core leg style. Extruded aluminium – powder coated to choice of DULUX® colour

Fixings: Supplied with 316 s/steel anti vandal fixings

› Plantation Kwila timber planks are shown off beautifully, surrounded by extruded, aluminium edging and die-cast corners. The elliptical leg completes the Gippsland modern design aesthetic.

The Gippsland is manufactured using Kwila timber planks with powder coated, extruded aluminium legs. The high grade timber requires a periodic coating with an outdoor oil to maintain its beautiful natural warmth.
