› Atrium Bench

› Features

Standard Length: 1800mm length

Plank: Kwila Timber

Frame and Legs: Available in flange/core/freestand leg style.
Cast aluminium – powdercoated to choice of DULUX® colour

Fixings: Supplied with 316 s/steel anti vandal fixings

› The modern design aesthetic and combination of materials ensure the Atrium bench will stand out in any setting. The Atrium bench is constructed from heavy duty, plantation sourced Kwila timber slats with powder coated die cast legs. The high grade timber requires a periodic coating with an outdoor oil to maintain its beautiful natural warmth.
