Features

Plank: Manufactured from maintenance free durable 20um anodised aluminium. Available in clear or colour anodised finish extruded aluminium edging with die cast corners.

Frame: Extruded aluminium powder coated to your colour choice.

Legs: Available in flange/core leg style.

Fixings: Supplied with 316 stainless steel anti vandal fixings.

Designed by Guymer Bailey Architects, the Signature Setting offers a wheelchair compliant table setting that allows conventional seating and wheelchair access in one great looking ensemble.

Constructed from incredibly durable, maintenance-free, anodised aluminium, the setting features wheelchair compliant dimensions, safe curved edges and sturdy, yet accessible leg configuration. Flange and core leg styles allow for installation in a range of situations, and 316 Stainless Steel anti-vandal fixings mean the Signature Setting will stay looking great, no matter what gets thrown at it.
