Warranty Statement for Terrain Group Furniture

Terrain Group will rectify at its own expense any defects in material supplied or faults in workmanship of the Company appearing in any part of the works supplied and installed by this company in accordance with relevant legislation.

Terrain Group warrants the structural performance for 10 years from date of supply to the wind rating noted on project drawing for normal expected loading.

This Warranty also include any "supply only" items and warrants same against defective materials or factory workmanship of the product, except where materials, components or processes comprised in the works are covered by Guarantee or Warranty of a third party, which will supersede the Warranty of the Company given above.

Any defects appearing in the works caused as a result of the misuse by the buyer or any third party, or faulty construction material and/or construction methods attributable to the other trades, structural load, vandalism or maltreatment or normal wear and tear is expressly excluded from the provisions of the Company's Warranty.

This Warranty is conditional and subject to the proprietor or its successors satisfactorily servicing annual inspections, cleaning and maintaining all respects the product supplied by the warrantor and/or any third party supplier of the products covered under this Warranty.

Yours faithfully,

TERRAIN GROUP
