

Truro Restrooms

Project Insights for Custom Restrooms
in the heart of Truro, South Australia

New public toilet facilities to enhance the streetscape and visitor experience in Truro.

Featuring Terrain Group's All Aluminium series building, customised to the client's requirements.

Mid Murray Council's new restroom facilities for Truro, SA

- Demolish/Dispose Old Building
- Civil Works for Base Preparation
- Erection of New Building: 6-door All Aluminum Restroom
- Plumbing & Electrical
- Concrete Pathways
- Carpark Upgrade

"The new public toilet facilities have enhanced both the streetscape and the visitor experience in Truro. The new toilets have improved accessibility for all, which in turn will provide comfort and convenience for visitors to the Truro area, which is a popular rest stop for travellers along the Sturt Highway."

Dave Burgess,
Mayor, Mid Murray Council
